Visual Roadmap: August 2026 – December 2027

AUG-DEC 2026

Build the Foundation

- ☐ Kibo-RPC registration, rules, simulator baseline, and disciplined experiments.
- ☐ Full-Stack refresh and Love my ស្នើសុំ v1.
- ☐ Flutter coursework, English speaking, CV, GitHub, and wedding-fund system.

JAN-JUN 2027

Convert Skills into Opportunity

- ☐ Complete Kibo pathway or publish a strong technical case study.
- ☐ Finish Year-4 mobile project and graduation requirements.
- ☐ Run a focused job-search and secure a full-time technology role or strong pipeline.

JUL-DEC 2027

Stabilize Work and Life

- ☐ Build a sustainable professional routine and work-impact log.
- ☐ Own features with tests, documentation, and release evidence.
- ☐ Complete responsible wedding preparation and create a joint 2028 plan.

Annual Planner – 2026

Theme suggestion: Foundation, discipline, and competition readiness

Strategic direction: Build a credible base before chasing more opportunities.

My theme for this year

What do I want most this year?

What must be true by year-end?

Skills to master

My top five priorities

1.

2.

3.

4.

5.

Projects / evidence to finish

Money / family target

Health / relationship target

Biggest risk and prevention

Annual Planner - 2027

Theme suggestion: Graduation, first role, and responsible marriage

Strategic direction: Convert preparation into a stable career and life transition.

My theme for this year

What do I want most this year?

What must be true by year-end?

Skills to master

My top five priorities

1.

2.

3.

4.

5.

Projects / evidence to finish

Money / family target

Health / relationship target

Biggest risk and prevention

Annual Planner - 2028

Theme suggestion: Reliable Software Engineer

Strategic direction: Own features, improve quality, and establish household stability.

My theme for this year

What do I want most this year?

What must be true by year-end?

Skills to master

My top five priorities

1.

2.

3.

4.

5.

Projects / evidence to finish

Money / family target

Health / relationship target

Biggest risk and prevention

Annual Planner – 2029

Theme suggestion: Mid-level readiness

Strategic direction: Handle ambiguity and own a technical area.

My theme for this year

What do I want most this year?

What must be true by year-end?

Skills to master

My top five priorities

1.

2.

3.

4.

5.

Projects / evidence to finish

Money / family target

Health / relationship target

Biggest risk and prevention

Annual Planner – 2030

Theme suggestion: Strong mid-level impact

Strategic direction: Increase scope, influence, and business understanding.

My theme for this year

What do I want most this year?

What must be true by year-end?

Skills to master

My top five priorities

1.

2.

3.

4.

5.

Projects / evidence to finish

Money / family target

Health / relationship target

Biggest risk and prevention

Annual Planner - 2031

Theme suggestion: Senior-track direction

Strategic direction: Operate beyond assigned tickets and choose the next five-year path.

My theme for this year

What do I want most this year?

What must be true by year-end?

Skills to master

My top five priorities

1.

2.

3.

4.

5.

Projects / evidence to finish

Money / family target

Health / relationship target

Biggest risk and prevention

August 2026 – Monthly Planner

Theme: Baseline & Commitment

Suggested definition of done

- ☐ Confirm Kibo team, roles, repository, and rules summary.
- ☐ Audit Full-Stack skills and create Love my ស្តីល PRD.
- ☐ Record English baseline and create wedding-fund tracker.

Three must-win outcomes

- ☐ 1. _____
- ☐ 2. _____
- ☐ 3. _____
